

# Packaging Institute of the Philippines

*Since 1967*

# Overview

The Packaging Institute of the Philippines (PIP) is a national association of users, manufacturers, and suppliers of packaging materials and services.

PIP was founded by 31 charter members in March 1967 and was registered in March 20, 1975 with the Securities and Exchange Commission as a non-stock, non profit corporation.

## Get Involved

There is a wealth of information about the packaging industry shared among members and from pooled and collated data, news, trends, testing services, industry standards that you can benefit from.

Connect with fellow members whether for business, networking or fellowship. Share insights and experiences in various PIP events and gatherings.

Maximize on special rates and discounts in PIP sponsored events, seminars, conferences as well as services offered by fellow members and industry partners.

As the premiere organization for the packaging industry, the PIP is identified as the focal point of packaging activities, government and trade relations both locally and internationally.

## Mission

1. To promote the recognition of Packaging as a science and as a profession and to stimulate good packaging consciousness in the industry and among consumers;
2. To undertake the promotion of research and development of packaging and package design.
3. To promote the establishment of acceptable basic standards for the packaging industry.
4. To provide a vehicle for international exchange of experience and knowledge in packaging technology.
5. To promote the pursuit of packaging technology by means of local and international training and education.
6. To render testing, professional, and consulting services to members.
